Rehabilitation of Members of the New Migrants Welfare Association

919. SHRI SAMAR MUKHERJEE : Will the Minister of HOME AFFAIRS be pleased to state :

(a) whether Government have received any representation dated the 25th June, 1985 and several other similar letters from the New Migrants Welfare Association, New Delhi in fulfilment of the conditions mentioned in the division's letter No. 14(6)/85-RR dated the 6th June, 1985; and

(b) if so, what are the reasons for which the New Migrants members of the said Association could not be rehabilitated despite fulfilment of the said eligibility conditions even after their prolonged struggle including 70 days' agitation-Dharna/Hunger strike in front of the Rehabilitation division office, Man Singh Road, New Delhi ?

THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI M. M. JACOB): (a) and (b) The Government had received the representation dated 25th June, 1985 as well as several similar letters from the New Migrants Welfare Association's New Delhi. These representations contained the Association's demand for sanction of a new

scheme for allotment of plots to its members in Delhi. The Government had not laid down any condition in its letter dated 6th June, 1985 to be fulfilled by the Association. In that letter it had been merely clarified to the Association that the members of the Association who claimed to be new migrants were treated to have been completely assimilated with the mainstream of national life and as such the question of according any preferential treatment to them did not arise. It may also be added that bulk of the members of the New Migrants Welfare Association are regular employees and have landed up in Delhi as a part of their normal service conditions, like transfers, redeployment etc. Once they got employed, they were deemed to have been rehabilitated and were not entitled to allotment of plots. They should treat themselves as normal citizens and like other employees and citizens should resort to normal channels for allotment of houses, e.g. by applying to Delhi Development Authority. It may further be added that there was no scheme for rehabilitation of the New Migrants in Delhi.

Surrender of Land by the Rehabilitation Division

920. SHRI SAMAR MUKHERJEE : Will the Minister of HOME AFFAIRS be pleased to state :

(a) whether the Rehabilitation Division under a transfer agreement surrendered 1100 (eleven hundred) acres of urban land in 1982 to the Delhi Development Authority (DDA) under a specific clause No. 7 to the effect that whenever any urban land is needed by the Rehabilitation division for the purpose of rehabilitating the migrants, the DDA would be bound to make required area of land available to it under the said clause of the transfer Agreement; and

(b) if so, what are the reasons for which the former Minister of State for Home Affairs pleaded in his D. O. letter No. 4/490-RR dated 1st October, 1990 about the non-availability of land for rehabilitating the members of the New Migrants Welfare Association, New Delhi without invoking clause-7 of the said transfer agreement; what are the reasons for which the Rehabilitation Division surrendered to DDA in December, 1984, 15 acres of land acquired in Malviya Nagar, New Delhi by the Division exclusively for rehabilitation of the migrants without meeting the 5 years old demand of the said association outstanding with them since 1980 ?

THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI M. M. JACOB) : (a) In accordance with a package deal concluded with the DDA in 1982, the Government transferred unutilised lands measuring approximately 1020 acres to the Delhi Development Authority. One of the conditions of the package deal was that where the Government is required to allot/transfer some land in pursuance of the existing or future judgements of the Courts, Arbitrators, Tribunals etc., such judgements would be honoured/implemented by the Delhi Development Authority.

(b) There was no judgement of the Court/Arbitrator/Tribunal in favour of the New Migrants Welfare Association, New Delhi for implementation of which the Government was required to requisition some of the lands from the Delhi Development Authority as provided for in the package deal of 2nd September, 1982. As regards 15 acres of land transferred by the Government to the Delhi Development Authority in Malviya Nagar, New Delhi, it is stated that the land was surplus to the requirements of the Rehabilitation Division. It may be added that the demand of the New Welfare Association for allotment of land in Delhi had been carefully considered and they were informed directly as well as through Members of Parliament that their deemed was without any merit or justification. Bulk of the members of the Association are regular employees with long years of regular service and have landed up in Delhi as a part of their normal service conditions. Once they got employed, they
